**Subject:** Homeless Encampment on Langdon and Nordhoff

Greetings,

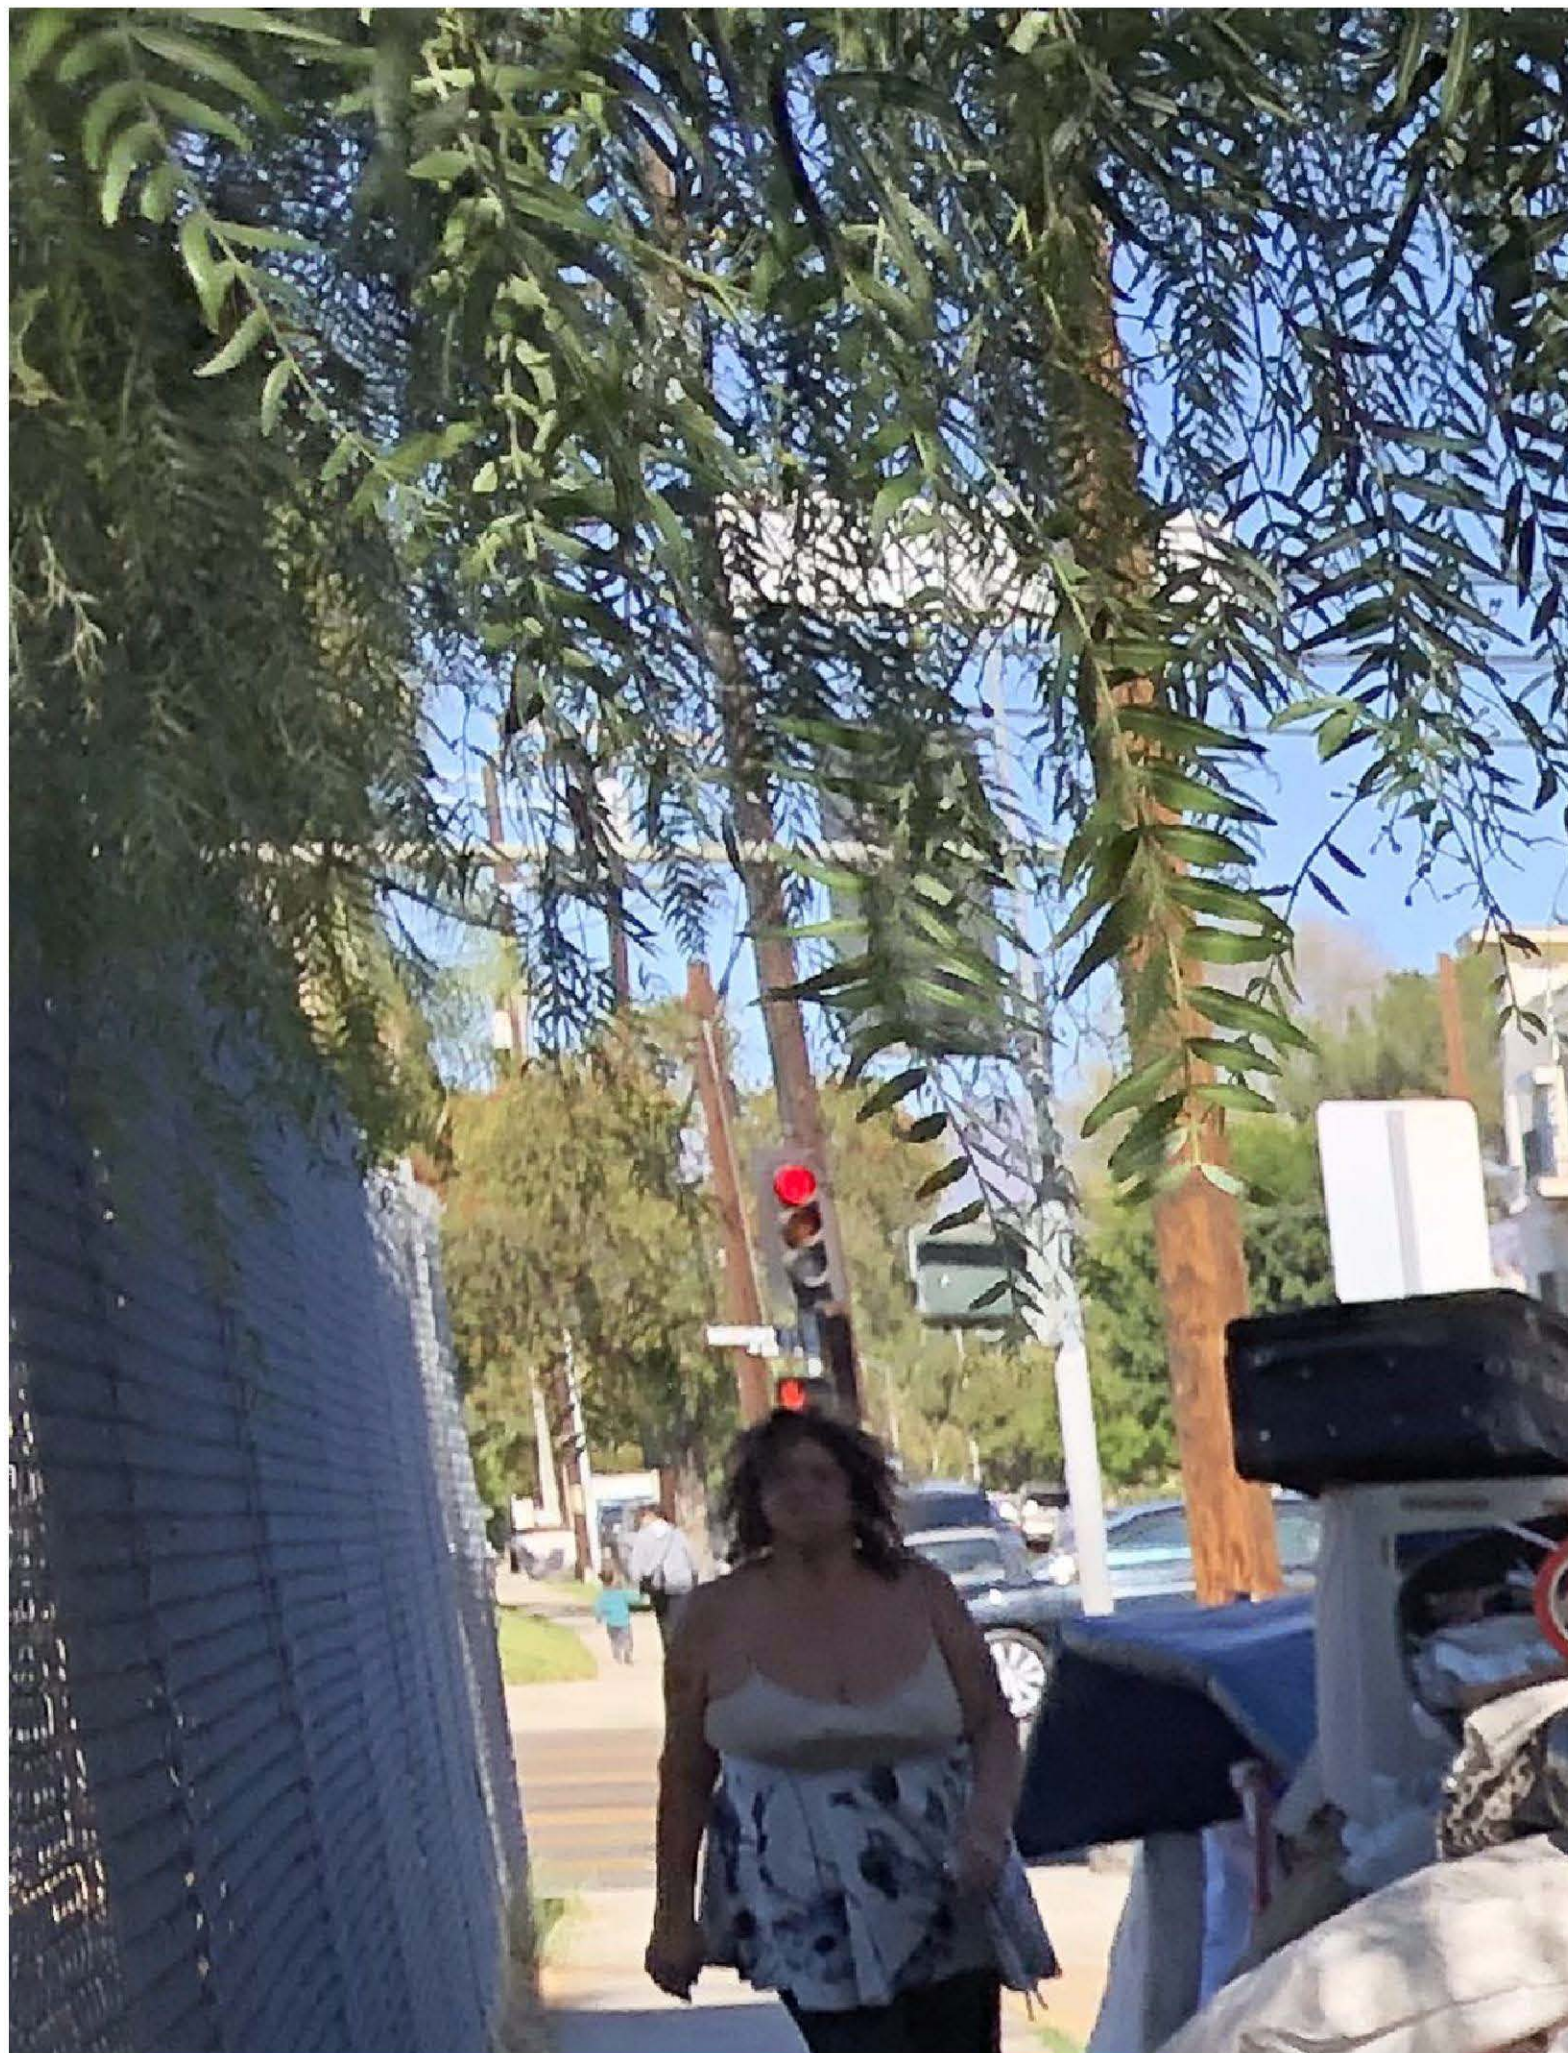

Located on Langdon and Nordhoff there is a huge homeless encampment. This is right across the street from Our Lady of Peace Church/School. There have been numerous complaints from residents in the area, along with parents and students at the school. It's blocking the sidewalk causing people to walk into the street which is a huge safety concern. Furthermore, it's a serious health and safety issue due to the unsanitary cumulation of trash and debris.

May you address this problem and clean up the area before someone gets hurt. Thank you.

Kindly,  
Rogelio
